Report Number:
22 /1920

Report to:	Facilities Committee
Date of Meeting:	27 th November 2019
Authorship:	Deputy Town Clerk
Subject:	Multi-Use Games Area

MUGA Panels

1. The panels behind the basketball hoop are not strong enough to withstand the regular force of footballs hitting them.
2. The quotation received (see Appendix) from the supplier of the existing MUGA facility is to fit two replacement green heavy duty rebound panels normally positioned on the bottom row.
3. The panels required will replace the damaged ones found in the second row up behind each goal.
4. The quote totals £2,877 including £571 installation, which could be saved if the Council's maintenance team undertook the works.

MUGA Lining

5. The second part of the quote totalling £1,072 is to install thermoplastic line-markings on the ball court for basketball and football.
6. This requires the existing tarmac to be jet washed to remove any dirt and moss prior to the line markings being installed.

Budget

7. There is currently £5,194 in Earmarked Reserves Park Improvements and it is proposed that these funds are allocated for the above works.

Recommendations

1. To appoint Sutcliffe Play to supply the two replacement green heavy duty rebound panels behind each goal and re-line the Multi-Use Games Area (MUGA).
2. That the Council's Maintenance Team install the panels on the MUGA.
